WEBSTER IS THE STANDARD

The exercises of the SUMTER INSTITUTE will be resumed on WEDNESDAY, SEPT, 4th, 1889. All departments will, as heretofore, be filled with the most competent teachers. As the rooms are being rapidly engaged, pupils from abroad would do well to apply as soon as practicable.

THE

An additional proof of the thoroughness of the teaching of this school is afforded by the fact that two of the last graduating class from different Counties applied for the Winthrop Scholarship and were successful for the first grade against all competitors. We think it proper to state that since the Institute has been chartered, its diploma entitles those who receive it to teach in the pubic schools without further examination.
